

## Code of Conduct Policy

College Park Presbyterian Church wants to serve you and help make your wedding a wonderful experience. We do ask that all those involved in the wedding and wedding planning demonstrate an appropriate code of conduct. We ask that all wedding participants treat our staff and facilities with respect. If at any time College Park Presbyterian Church feels that professional boundaries have been crossed and the issue is not able to be resolved between the two parties, then we reserve the right to dissolve the wedding contract. We expect that this will not be an issue and that we will be able to accommodate all of your wedding needs regarding our facilities.
